Date: 29.08.2024

Advertisement to Fill up Internship Positions

1. Applications are invited from highly motivated and interested candidates for an Internship Program under the Indian Knowledge Systems (IKS) division of **Ministry of Education (MoE), Government of India** on a multi-disciplinary, multi-institutional project entitled '**Understanding the contributions of Kaṇāda in Physics and its Documentation in Malayalam: A handshake with IKS for the successful implementation of NEP 2020**' for a period of six months as per the details given below.

Name of the Post	No. of Vacancies	Fellowship (Consolidated)	Qualification
Interns	6 (Six)	Rs. 10,000/- (per month)	Students pursuing or have completed UG/PG in any discipline, preferably Physics/ Chemistry/ Mathematics, Malayalam or Sanskrit from a recognized University, below the age of 30 years

2. Interested candidates should send the CV containing the educational qualifications with percentage of marks/division along with copies of all the relevant documents as a **single PDF attachment through e-mail** (sumod.sg@shcollege.ac.in) to the Principal Investigator (PI) with the subject line "**Application for IKS Internship 2024-25**".

3. The last date for receipt of applications is **5th September 2024**.

4. The short listed candidates will be intimated individually via e mail along with the details of online/offline interview.

5. Initially, the candidates will be selected for a period of one month and will be renewed every subsequent month, based only on the project requirement and their performance.

6. Successful interns will be recognized with a certificate from the IKS division.
