TRASH TO TREASURE

A Heartian initiative on Gandhi Jayanti 2K21

Calling out all Heartians to turn your trash into treasure !

On the occasion of this year's Gandhi Jayanti, let us unite to collect and sell all recyclable trash (plastics, metals, broken gadgets, newspapers, etc.) from our homes and neighbourhood. Donate your earnings towards our college's Chavara Bhavana Paddhathi and become a part of our initiative to build homes for the underprivileged.

#Effectuating Swachh Bharat
#Honouring Gandhian vision of Seva

Join your hands with us for a brighter tomorrow...
Generously make your contributions...
